### Mastering Search & Seizure

Mastering Search & Seizure combines two of Blue to Gold's most popular classes: Advanced Search & Seizure and Advanced Traffic Stops and added additional topics like community caretaking and emergency aid exception. This class is vital for any officer, at any level, with any experience. Students will complete the course with a mastery of search and seizure and will know how to make good case law...more importantly...why! The instruction is eye-opening, fast-paced, not boring because our senior instructors are retired police officers turned attorneys.
