Mastering Search & Seizure

Mastering Search & Seizure combines two of Blue to Gold's most popular classes: Advanced Search & Seizure and Advanced Traffic Stops and added additional topics like community caretaking and emergency aid exception. This class is vital for any officer, at any level, with any experience. Students will complete the course with a mastery of search and seizure and will know how to make good case law...more importantly...why! The instruction is eye-opening, fast-paced, not boring because our senior instructors are retired police officers turned attorneys.

Tuesday, December 5, 2023 | Time: 8:30 AM - 5:00 PM | Cost: \$225

K9 Case Law

K9 Case Law is intended for any officer who works with or around K9s. This includes handlers, supervisors, interdiction officers, and command personnel. K9 Case Law will train students in practically every legal doctrine that is needed to lawfully deploy a K9.

Wednesday, December 6, 2023 | Time: 8:30 AM - 5:00 PM | Cost: \$225

Real World De-Escalation

Our De-escalation Tactics course is a must-attend. Decades of police training have focused on using force to overcome resistance, but mastering de-escalation is just as important. Our training program will provide you with practical and workable tactics to help de-escalate encounters.

Thursday, December 7, 2023 | Time: 8:30 AM - 12:30 PM | Cost: \$125

Duty to Intervene

If we are to police others, we must also police ourselves. The law requires real-time intervention when a fellow officer, from any agency, goes down the wrong path and violates the law. Failing to intervene may result in termination, criminal charges, and civil rights lawsuits.
