Advanced Search & Seizure

Our Advanced Search and Seizure training is designed to equip officers with the knowledge and skills they need to independently analyze and solve Fourth Amendment problems, leading to a reduction in lawsuits and the ability to establish good case law. By the end of this course, students will have a solid understanding of when the Fourth Amendment applies, the requirement of consent, recognized exceptions, and the necessity of a warrant for every search or seizure.

Advanced Criminal Investigations

Real World De-Escalation

Our De-escalation Tactics course is a must-attend. Decades of police training have focused on using force to overcome resistance, but mastering de-escalation is just as important. Our training program will provide you with practical and workable tactics to help de-escalate encounters.

Duty to Intervene

If we are to police others, we must also police ourselves. The law requires real-time intervention when a fellow officer, from any agency, goes down the wrong path and violates the law. Failing to intervene may result in termination, criminal charges, and civil rights lawsuits.
