Bulletproof Report Writing

Are you a law enforcement officer looking to improve your report writing skills and produce legally defensible police reports? Look no further than our Bulletproof Report Writing course. Our training program is designed to help officers develop the critical articulation skills necessary to construct detailed and solid statements on encounters. (Book included with each registration: Bulletproof Report Writing)

Bulletproof Courtroom Testimony

Blue to Gold's courtroom testimony course is designed for all law enforcement officers who want to testify in the most persuasive and legally defensible manner possible. We teach officers how to effectively prepare for court, persuasively tell your story, ward off attacks by the defense, along with avoiding other pitfalls.

Tuesday, December 16, 2025 | Time: 8:00 AM - 5:00 PM

Duty to Intervene

If we are to police others, we must also police ourselves. The law requires real-time intervention when a fellow officer, from any agency, goes down the wrong path and violates the law. Failing to intervene may result in termination, criminal charges, and civil rights lawsuits.

Real World De-Escalation

Our De-escalation Tactics course is a must-attend. Decades of police training have focused on using force to overcome resistance, but mastering deescalation is just as important. Our training program will provide you with practical and workable tactics to help de-escalate encounters.

Cops & Cameras

Are you an officer seeking to enhance your skills in dealing with First Amendment auditors and protestors? Our comprehensive training is designed to equip you with the knowledge and strategies necessary to navigate the complex landscape of protected speech and take appropriate enforcement action when needed.
