Mastering Search & Seizure

Mastering Search & Seizure combines two of Blue to Gold's most popular classes: Advanced Search & Seizure and Advanced Traffic Stops and added additional topics like community caretaking and emergency aid exception. This class is vital for any officer, at any level, with any experience. Students will complete the course with a mastery of search and seizure and will know how to make good case law...more importantly... why! The instruction is eye-opening, fast-paced, not boring because our senior instructors are retired police officers turned attorneys.

Emerging Legal Trends

Emerging Legal Trends dives deep into ten search and seizure areas that officers and command staff must understand. These areas include topics such as drones, curtilage, trespass searches and more. The instruction is eye-opening, fast paced and never boring. Our instructors are retired police officers turned attorneys and know what you face when making legal decisions. (Book included with each registration: Search & Seizure Survival Guide)

Wednesday, September 17, 2025 | Time: 8:00 AM - 5:00 PM | Cost: \$199

Real World De-Escalation

Our De-escalation Tactics course is a must-attend. Decades of police training have focused on using force to overcome resistance, but mastering de-escalation is just as important. Our training program will provide you with practical and workable tactics to help de-escalate encounters.

Duty to Intervene

If we are to police others, we must also police ourselves. The law requires real-time intervention when a fellow officer, from any agency, goes down the wrong path and violates the law. Failing to intervene may result in termination, criminal charges, and civil rights lawsuits.

Thursday, September 18, 2025 | Time: 8:00 AM - 5:00 PM | Cost: \$199
