TRAINING ANNOUNCEMENT

St. George, Utah

Hosted by the Utah Tech University Police Department

Mastering Search & Seizure

Mastering Search & Seizure combines two of Blue to Gold's most popular classes: Advanced Search & Seizure and Advanced Traffic Stops and added additional topics like community caretaking and emergency aid exception. This class is vital for any officer, at any level, with any experience. Students will complete the course with a mastery of search and seizure and will know how to make good case law...more importantly...why! The instruction is eye-opening, fast-paced, not boring because our senior instructors are retired police officers turned attorneys. (Book included with each registration: Search & Seizure Survival Guide)

Bulletproof Report Writing

Are you a law enforcement officer looking to improve your report writing skills and produce legally defensible police reports? Look no further than our Bulletproof Report Writing course. Our training program is designed to help officers develop the critical articulation skills necessary to construct detailed and solid statements on encounters. (Book included with each registration: Bulletproof Report Writing)

Real World De-Escalation

Our De-escalation Tactics course is a must-attend. Decades of police training have focused on using force to overcome resistance, but mastering de-escalation is just as important. Our training program will provide you with practical and workable tactics to help de-escalate encounters.

Thursday, July 31, 2025 | Time: 8:00 AM - 12:00 PM | Cost: \$125

Duty to Intervene

If we are to police others, we must also police ourselves. The law requires real-time intervention when a fellow officer, from any agency, goes down the wrong path and violates the law. Failing to intervene may result in termination, criminal charges, and civil rights lawsuits.
