Advanced Search & Seizure (26CPT085)

You'll get hands-on with the legal foundations behind search and seizure—when you can act, when you need consent or a warrant, and what happens when you cross the line. We'll cover both federal and state cases to make sure you're ready no matter where you work. Through case studies and real-world scenarios, you'll build the confidence to handle these situations the right way.

Bulletproof Report Writing (26CPT083)

You'll learn how to put your observations and actions into words that make sense to judges, prosecutors, and defense attorneys alike. From explaining probable cause to describing what you saw and did, you'll build the skills to write reports that are thorough and easy to follow. The course also shows how solid documentation can discourage suppression motions and help you recall key details when testifying in court.

Real World De-Escalation (26CPT084)

You'll learn practical skills to recognize when things might be about to get out of hand—and how to use communication and non-escalation tactics to keep them from boiling over. Real-life scenarios and interactive exercises bring these skills to life so you're ready for whatever comes your way.

Friday, January 23, 2026 | Time: 8:00 AM - 12:00 PM | Cost: \$125
