Advanced Search & Seizure

Our Advanced Search and Seizure training is designed to equip officers with the knowledge and skills they need to independently analyze and solve Fourth Amendment problems, leading to a reduction in lawsuits and the ability to establish good case law. By the end of this course, students will have a solid understanding of when the Fourth Amendment applies, the requirement of consent, recognized exceptions, and the necessity of a warrant for every search or seizure. (Book included with each registration: Search & Seizure Survival Guide)

Constitutional Policing

Constitutional Policing training focuses on individual comprehension of constitutional limits and organizational leadership to ensure lawful and effective practices. This program equips leaders to strengthen policies, training, and oversight in areas such as arrest, detention, search, and interrogation. It emphasizes ethical standards, public trust, and compliance to reduce legal risks while maintaining law enforcement effectiveness.
