TRAINING ANNOUNCEMENT

St. Paul, Minnesota

Hosted by the Saint Paul Police Department

Mastering Proactive Policing for Patrol [CLICK TO REGISTER](#) (INSTRUCTED BY: CURRENT POLICE SERGEANT CRAIG MEYER)

This class is a deep dive into street level proactive policing tactics. Considered by many as the all-encompassing guide for patrol officers looking to reach their potential, every single block of instruction covered is essential to being a multi-dimensional proactive officer on patrol. This course provides the tools and the game plan to the attendee, so that they will leave at the end of the day and be an effective police officer against the criminal element, every single shift. The skills and tactics taught here are universal in police work across the world, as the class does not spend time on state-specific traffic code, penal code, or state-specific case law.

Advanced Traffic Stops [CLICK TO REGISTER](#) (INSTRUCTED BY: RET.SGT. AND ATTORNEY ANTHONY BANDIERO)

Making a traffic stop is one of the most common—and sometimes most legally tricky—things cops do. This course helps officers sharpen their skills in making stops that are both effective and legally solid. You'll get a handle on the real-world application of constitutional principles so your stops hold up in court and build trust with the community. You'll learn the nuts and bolts of key traffic stop topics—like the motor vehicle exception, pretext stops, vehicle searches, and passenger questioning. We'll also cover the big court decisions that shape how you do your job, and dig into things like K9 sniffs, inventories, and probable cause searches.
