Bulletproof Report Writing

You'll learn how to put your observations and actions into words that make sense to judges, prosecutors, and defense attorneys alike. From explaining probable cause to describing what you saw and did, you'll build the skills to write reports that are thorough and easy to follow. The course also shows how solid documentation can discourage suppression motions and help you recall key details when testifying in court.

Real World De-Escalation

& Duty to Intervene

You'll learn about the legal requirements and department policies that spell out the duty to intervene, and why it matters. The course also covers the serious consequences of failing to act, including discipline, lawsuits, and even criminal charges.
