### Mastering Proactive Policing for Patrol (INSTRUCTED BY: SEAN MEYER)

Being proactive on patrol is about more than just making stops—it's about spotting crime before it happens and handling it safely and legally. This course gives patrol officers the skills and knowledge to confidently interdict criminal activity while keeping themselves and the community safe. You'll learn to recognize the signs of stress and resistance in people you encounter, including freeze, flight, and fight behaviors, plus the subtle cues that come before them. The course covers building reasonable suspicion, conducting roadside interviews, building rapport, and knowing when (and how) to ask for consent. Body camera footage and scenario-based exercises bring these skills to life and give you hands-on practice in real-world situations.

Tuesday, October 13, 2026 | Time: 8:00 AM - 6:00 PM | Cost: \$249

### Advanced Traffic Stops (INSTRUCTED BY: ZACH MILLER)

Making a traffic stop is one of the most common—and sometimes most legally tricky—things cops do. This course helps officers sharpen their skills in making stops that are both effective and legally solid. You'll get a handle on the real-world application of constitutional principles so your stops hold up in court and build trust with the community. You'll learn the nuts and bolts of key traffic stop topics—like the motor vehicle exception, pretext stops, vehicle searches, and passenger questioning. We'll also cover the big court decisions that shape how you do your job, and dig into things like K9 sniffs, inventories, and probable cause searches.

Wednesday, October 14, 2026 | Time: 8:00 AM - 5:00 PM | Cost: \$225

### Advanced Interdiction Case Law: Drugs on Wheels (INSTRUCTED BY: ZACH MILLER)

Officers will explore the factors courts have deemed most relevant for exposing drug and human smuggling operations on the road. The course reinforces the importance of understanding the Fourth Amendment, providing officers with the confidence to justify their actions and protect their cases from legal challenges. Whether an officer is new to interdiction, looking to expand proactive policing tools, or a seasoned veteran determined to stay sharp, this course helps keep them one step ahead in the fight against trafficking.
