Case Law for Command Staff and Supervisors

Understanding the complexities of the Fourth Amendment can be a challenge for any officer, but it's critical that supervisors and command staff have a solid grasp of case law. When incidents unfold and quick decisions are needed, those in leadership roles must know what the law allows—and why—so they can provide clear, legally defensible guidance. This course is designed to give supervisors and command staff the knowledge and confidence to handle search and seizure issues that arise in the field. It serves as a practical resource for those who must guide their teams through challenging situations while ensuring constitutional compliance.

Monday, October 4, 2027 | Time: 8:00 AM - 5:00 PM | Cost: \$225
