Closed training for Lansing Police Department

### Duty to Intervene

Being ready to step in when things go wrong is a key part of building trust—both within the department and in the community. This course gives officers the skills and knowledge they need to recognize when intervention is necessary and to act confidently and safely. You'll learn about the legal requirements and department policies that spell out the duty to intervene, and why it matters. The course also covers the serious consequences of failing to act, including discipline, lawsuits, and even criminal charges. Through real-life case studies and scenarios, you'll develop the confidence to do the right thing—while keeping yourself and your colleagues safe.
