Bulletproof Report Writing

A well-written report can be the difference between a strong case and one that falls apart in court. This course gives officers the tools to write clear, detailed reports that stand up to legal scrutiny and support successful prosecutions. You'll learn how to put your observations and actions into words that make sense to judges, prosecutors, and defense attorneys alike. From explaining probable cause to describing what you saw and did, you'll build the skills to write reports that are thorough and easy to follow. The course also shows how solid documentation can discourage suppression motions and help you recall key details when testifying in court.

Tuesday, September 15, 2026 | Time: 8:00 AM - 5:00 PM | Cost: \$225

Bulletproof Courtroom Testimony

Standing up in court and telling your side of the story is a big part of being a cop—and one that can make or break your case. This course helps officers sharpen their courtroom skills so they can deliver testimony that's confident, clear, and stands up under the toughest cross-examinations. Through a mix of classroom sessions, practical exercises, and realistic role-playing, you'll get comfortable with everything from prepping your case to handling curveball questions from defense attorneys. We'll cover the entire courtroom journey, with a focus on being prepared, professional, and persuasive.
