### Duty to intervene | Advanced Search & Seizure (4hrs)

You'll learn about the legal requirements and department policies that spell out the duty to intervene, and why it matters. The course also covers the serious consequences of failing to act, including discipline, lawsuits, and even criminal charges. Through real-life case studies and scenarios, you'll develop the confidence to do the right thing—while keeping yourself and your colleagues safe.

You'll get hands-on with the legal foundations behind search and seizure—when you can act, when you need consent or a warrant, and what happens when you cross the line. We'll cover both federal and state cases to make sure you're ready no matter where you work.
